BESPOKE BAR SERVICES

ABOUT US

Muddle & Mint grew from customers' popular requests to have one of our award-winning Cambridge based cocktail bars, La Raza and Ta Bouche cater for their event. With 15 years' experience, we are experts in bar management, events and mixology - not just in cocktails but also in mocktails, beer, cider, spirits & mixers, wine and Champagne.

Due to our close ties to our bars, we can tailor your menu to your event and our highly trained bar tenders can even create a cocktail especially for you! We are always willing to meet with you at one of our venues for a tasting to help you decide on your menu, or you can leave it in the hands of our very capable team.

Because we are proud of what we do, we use only good quality spirits and higher end brands. We can have cocktails prepared for your guests' arrival at a welcome reception or specific point during the event, or made available at the bar for guests to enjoy at their leisure.

We suggest a menu, designed in collaboration with you, of around five cocktails with at least one gin, one vodka and one rum based cocktail.

Over the next few pages you will find examples of our popular packages.
